

Macomb Science Leadership Council

October 11, 2016

The purposes of this meeting include:

- **NGSS and Assessment Updates:** MDE update, M-STEP and Science Performance Assessments
- **Upcoming Curriculum Support:** MI-STAR, Phenomenal Science, Curriculum Resources
- **Sharing:** What is most important right now? What support are you providing to your district right now? How can we continue to help you in this process?

Agenda		
<p>Welcome</p> 	Something I've done to move my district toward NGSS readiness....	
	Something I've done in my own practice to move myself toward NGSS readiness....	
<p>Phenomenal Science (K-5 Curriculum Project)</p> 	How might this curriculum project be helpful to your district?	What questions do you have about the project?
<p>Three Dimensional Science Performance Assessment Tasks (3DSPA)</p> 	How might this information be helpful as we work to implement the NGSS?	

MI-STAR
(6th- 8th Curriculum Project)

How might this curriculum project be helpful to your district?

What questions do you have about the project?

MDE Update

How do these changes help with the NGSS transition in your district?

Sharing

What is most important right now?

What additions might you make to your district PD plan?
